

Northwest Baptist Church

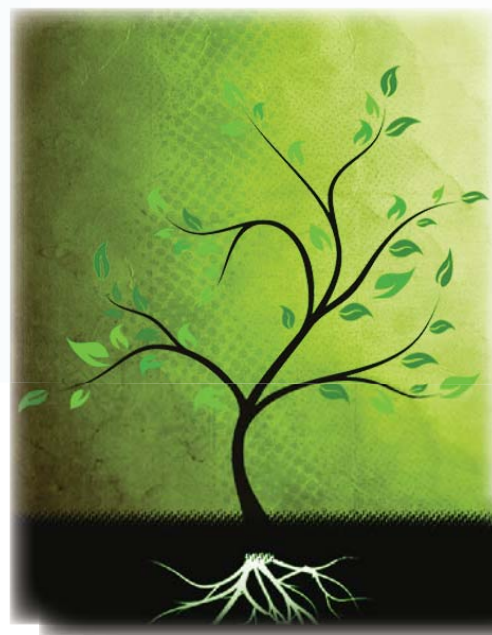

**Sunday Mornings
9:30 a.m.**

“They were continually devoting themselves to the apostles’ teaching and to fellowship, to the breaking of bread and to prayer.” Acts 2:42

An essential need of every person is the need to belong. God created us to belong, and at NWBC our LifeGroups are a foundational component of building community. LifeGroups are opportunities to discover and apply truths learned from the Bible. They are opportunities for you to interact with each other and with God’s Word for each of us to grow in the image of Christ. Our LifeGroups are places where church becomes smaller and more personal and where friendships form. These groups are also how we organize ourselves for personal ministry and care.

LifeGroups are easy to join, and you do not have to be a member of Northwest to become a member of a LifeGroup. To learn more about how Northwest does life-on-life ministry through our LifeGroups, contact the church office.
